Instructions for Completing the GA-V

- Taxes are withheld when wages are paid, not when the payroll period ends.
- Form GA-V must be used to submit monthly payments on or before the 15th of the following month. ANY payment received after the 15th of the following month will be subject to late charges. Do not send penalty or interest with a payment. If the 15th is a weekend or holiday, the due date is the next business day.
- Taxpayers who withhold \$500 or more on any one return (quarterly total) must submit payments by Electronic Funds Transfer (**EFT**). When initiating the payment, use the date of the last day of the month you are paying as the period ending date. Do not use the quarter end date. Doing so will cause erroneous payment postings to your account.
- Form GA-V is **NOT** required if no tax is withheld for a particular month or if payment was made via EFT.
- Do not make changes to the preprinted forms. Make all changes to preprinted information on the enclosed Form G-5B.
- Mail this completed form with your payment to:
